Dear Potential Sponsor,

On behalf of the African American Reach & Teach Health Ministry (AARTH), I am pleased to invite you to become a valued sponsor of our upcoming fundraiser brunch, United for Wellness: Bridging the Gap, to be held on Saturday, September 20, 2025 at The Archer Hotel in Redmond.

At AARTH, we are deeply committed to building strong connections between people, providers, and resources. Our mission is to unite communities in closing the health gap for people of African descent by offering culturally grounded, faith-inspired education, support, and advocacy. This event brings together individuals and organizations who believe that wellness should not be determined by race, income, or background.

United for Wellness: Bridging the Gap is more than a brunch—it's a moment to link arms across sectors, share stories, and raise vital funds to continue addressing the disparities that separate too many from the care they deserve. With your support, we can strengthen the bridges between awareness and access, silence and conversation, need and service.

We offer four sponsorship levels ranging from \$500 to \$5,000, each with meaningful benefits such as:

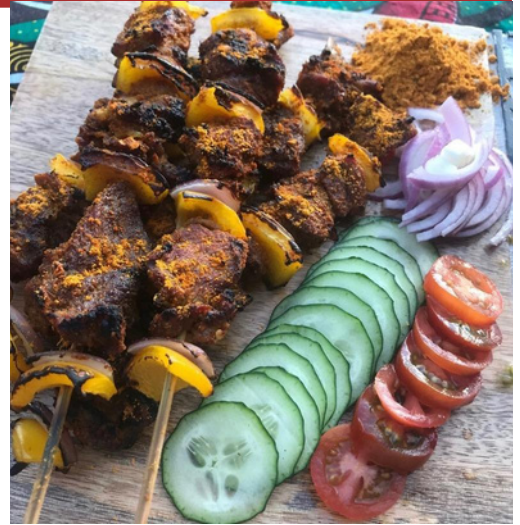

- Recognition in event materials and social media
- Reserved seating and promotional opportunities
- Space for branded items or messages in the event program
- Opportunities to share your voice and your mission with our audience

A detailed sponsorship packet is enclosed for your review. We would be honored to have your organization join this effort and be recognized as a connector, a builder, and a champion for wellness.

Please feel free to reach out to us directly with any questions or to confirm your sponsorship. Together, we can bridge the gap and uplift lives—one connection at a time.

With gratitude,

Vinson Latimore
